Scouting America
Connecticut Rivers Council

Dear President Jan Perruccio,

My name is Pat Malin, and I am the District Executive for the Southeast District of the Connecticut Rivers Council, Scouting America. Before stepping into this role, I was a Rotarian with the Terryville club. Rotary's motto, "Service Above Self," has always spoken deeply to who I am, and I truly believe my foundation in Scouting helped build that same core value.

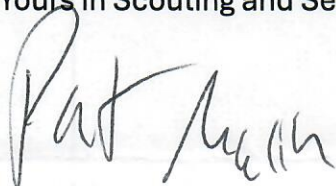

I am reaching out because I would love the opportunity to visit an upcoming Rotary Club of Old Saybrook meeting. I am looking to make a local connection and briefly share an update on the state of Scouting in our area, including all the exciting new things our youth have been up to.

As part of my visit, I would also love to introduce your members to our Camp4All campaign. Camp4All is a comprehensive initiative that helps remove financial barriers so that youth can fully participate in Scouting, regardless of their family's financial hardship. We are super excited that we received a matching donation so now donations will go twice as far!

I have attached a letter from our Council Key 3 with more details about the campaign. But more than anything, I would appreciate the chance to come out, shake some hands, and reconnect with my Rotary roots and talk about Scouting.

Thank you for your time and for everything your club does for the Old Saybrook, Old Lyme and Westbrook community. I look forward to hearing from you soon!

Yours in Scouting and Service,

Pat Malin

Without the generous support of our donors, Youth in the Connecticut Rivers Council would not be able to experience all that Scouting offers.

Scouting has never been more relevant or important to our communities than it is today.

Help us grow our Camp4All 2026 Campaign, a program designed to develop our programs, expand our facilities and provide greater access to scouting camps and outdoor education for Youth. By supporting Camp4All 2026, you make a significant contribution to developing future leaders.

Scout camps have a profound and lasting impact on young people, offering a multitude of benefits. Camping in Scouting is the foundational method for fostering character, self-reliance and leadership. It provides a hands-on laboratory for developing independence, teamwork and resilience through experiential learning in nature, building the confidence to overcome many of life's challenges.

By supporting Camp4All, you make a significant contribution to developing future leaders. Your involvement fosters a nurturing environment where children can flourish, learn, and discover their potential.

Whether you choose to make a one-time donation or commit to a long-term partnership, your support truly makes a lasting difference in the lives of youth. Join us on this exciting journey and become part of a community that is dedicated to enriching children's lives through engaging outdoor adventures. Your support will help the Connecticut Rivers Council remain steadfast in its mission to teach life skills and strong values to our next generation of leaders.

Your commitment ensures that more youth experience the adventure, growth, and memories that only camp can offer. Scouting truly does make young men and women, **Prepared for Life.**
